

Counting on your fingers

task:

Use this British Sign Language guide to numbers one to ten to answer the six questions below. Then your teacher will sign the numbers to the next four questions. You get 1 point for each correct number you code-break and 2 points for each correct answer. So each sum could win you a maximum of four points.

British Sign Language (BSL)

0	1	2	3	4	5	6	7	8	9

1. - = 4

2. x = _____

3. x = _____

4. x = _____

5. + = _____

6. - = _____

Now your teacher will sign four sums. Watch your teacher carefully and crack the codes to write down the numbers for each sum, then work out the answer.

7. _____ - _____ = _____

8. _____ x _____ = _____

9. _____ + _____ = _____

10. _____ x _____ + _____ = _____

name: _____ points: _____
