

Book Week Scotland 2020

Primary Six

Author Study

During Book Week Scotland 2020, we began our Author Study for this term.

We researched and displayed key facts all about Charles Dickens.

We also had to use technology to display our interesting facts!

We also enjoyed researching what life will be like in the future and used this as inspiration for our Free Writing Friday.

We had a go at writing some futuristic tales! Some pupils decided to write a non-fiction text instead.

We also spent a lot of time reading for pleasure.

We like a wide range of genres in our class.

From science-fiction and horror to espionage and even non-fiction!

Some pupils prefer reading along while listening to an audiobook too!
