

Parental Questionnaire Results

On the evening of our Parental Consultations we asked for some feedback.

Here is what you told us.

In total across our school and nursery, 105 questionnaires were returned.

We asked you.	Total	Total	Not Completed	Comments	School Response
Do these times suit to meet with your child's teacher?	YES 104	NO 1		When they run on time.	Often there are issues that arise during discussions. Additional meetings with the teacher can be made at another convenient time if parents/carers feel they need to.
Was the information you received about your child helpful?	YES 105	NO 0		NONE	Staff are committed to building strong relationships with the children and identifying their strengths and areas for development.
Is there anything you would like help/support with in order to support your child's learning?	YES 16	NO 87	2	NONE	
Any further comments?				<p><u>Comments</u> Additional materials to enhance learning.</p> <p>Any more homework on the weekend. Spoken to the teacher.</p> <p>Happy with comments and that my child has settled in so well.</p>	<p>Parents /carers are encouraged to discuss any issues with their child's teacher as they arise. There are also opportunities to discuss issues with support staff in the school who will seek to implement a support plan if required. Children also have online access to Education City and Sumdog which they can use out-with school hours.</p> <p>The school doesn't issue homework over the weekend. Children have access to online learning materials which they can access at home out-with school hours.</p> <p>All staff work hard to establish a welcoming environment that meets the needs of all learners in their class.</p>
In school, we are considering setting up a 'Conversation Café' on a Friday morning, with a particular focus, aimed at different areas of learning in the school. Is this something you would be interested in?	YES 73	NO 28	Maybe 1	Not Completed 3	<p><u>Comments</u> No, not this year due to little people. Next year possibly.</p> <p>No, due to work. No, due to work commitments. No, work full time. No, due to work commitments.</p> <p>This is a project that the school will continue to run and expand on throughout the coming years.</p> <p>We understand that parents/carers have work commitments so the school will look to schedule events at a variety of different times to enable a variety of people to access them.</p>

<p>Any further suggestions/comments?</p>	<p>Comments I am really happy that you have a school App and I am looking forward to using this.</p> <p>Would appreciate if the ten minute time slots could be adhered to.</p> <p>Mindfulness training is an excellent idea.</p> <p>No, everything is very good.</p> <p>The 'Conversation Café would maybe more useful on different days as I work a Friday so could not attend but would be interested in another day.</p> <p>Some Art lessons at school.</p> <p>When there is an issue further work would be helpful, it would be good to get additional (optional) work home.</p> <p>However I work & possibly cannot make all Fridays-maybe blog some of the topics. Thank you. Friday afternoons would suit us better.</p> <p>Would it be possible to organise some after school or weekend sessions for Polish kids to learn to read and write in Polish? Even if paid it would be great to be able to bring them to their own school rather than somewhere else.</p>	<p>We are delighted with the response to the new App and look forward to expanding its use throughout the session to communicate effectively with parents/carers.</p> <p>See previous note.</p> <p>We are very excited about the recent training in this area and look forward to embedding it in our everyday practise.</p> <p>See previous note.</p> <p>This is a curricular area. Skills are taught and permeate the wider curriculum.</p> <p>Parents/carers can request additional materials from teachers and children can access online resources from Education City using their personal log in details.</p> <p>The theme/ focus of the meetings will be communicated beforehand.</p> <p>We are fortunate to have a Polish speaking Pupil Support Assistant who is keen to support children in the school. We are looking to establish a lunch time Polish club.</p>
