

Home Learning - Week Beginning 27th April 2020

Good morning Primary 1! I hope you all had a very good and safe weekend. I hope you enjoyed all of the activities that I set for you last week. Here are some more fun tasks for you to try this week. Remember you also have the games and challenges on Education City and SUMDOG. You do not have to complete all tasks and there is no particular order that they should be done in. Remember the most important thing is to stay safe and well.

Maths

Number Hunt

See how many numbers you can find around your home and garden or during your daily exercise, eg, door numbers, numbers on clocks, on the oven or microwave.

Draw pictures to show all of the places that you found the numbers and write the numbers beside the picture.

Make your own addition machine!

All you need is two tubes, a plus sign and a tub to collect your answer! Count out two amounts, put them down the separate tubes and count what the total is!

RE

Remember to be saying our morning and evening prayer each day with your family. You can also say a Hail Mary daily for your own intentions.

Hail Mary

Hail Mary full of Grace, the Lord is with thee.

Blessed art thou amongst women and blessed is the fruit of thy womb Jesus.

Holy Mary Mother of God, pray for us sinners now and at the hour of our death.

Amen.

Importance of Mass

During this time of uncertainty, unfortunately we cannot attend mass each Sunday to keep ourselves safe. We can however access mass online weekly and you may wish to learn this lovely hymn.

It is called 'Enter, Rejoice and Come In'

Science- Make your own Ice Cream

It has been lovely weather recently; why not make your very own ice cream for your family to share in this lovely weather!

You will need:

- 1 tablespoon sugar
- ½ cup milk, cream, or half and half
- $\frac{1}{4}$ teaspoon vanilla extract (or other flavouring)
- 6 tablespoons salt

Enough ice to fill the gallon-sized bag halfway

- 1 gallon-sized Ziploc bag
- 1 pint-sized Ziploc bag

Method:

Fill the gallon-sized bag halfway with ice. Add the salt.

Pour the milk, sugar, and vanilla extract into a bowl or other container and mix.

Carefully pour the mixture into the pint bag.

Close the bag, making sure it is completely sealed.

Put the pint bag into the gallon bag.

Make sure the pint bag gets buried in the ice. Seal the gallon bag. Shake the bags vigorously for five minutes. You might want to use a towel to hold them, since they will be very cold and slippery from condensation.

Remove the pint bag, open it up, and grab a spoon

Help at Home (Always check with an adult first)

1. Pick up and tidy up your toys

2. Fill pets food and water bowls

3. Help sweep or clean up any spills

4. Make your bed every morning

Take Time Out

Remember to take some time out to relax and spend with your loved ones.

1. Draw a picture or write a note to a Key Worker to tell them how much you

appreciate what they are doing right now

2. Play hide and seek. Who can find the best hiding spot in the house?

3. Have a Pyjama Party!
