Common Words

go got get

Please make new flash cards for these new words to add to the ones that you already have. Use these to go read your words every night and play Tic-Tac-Toe!

To play, choose a sight word and repeatedly write the word in a tic-tac-toe grid. Each time your child writes the word, they have to read it too. The first person to write down and read three in a row is the winner!

Spelling words!

We have been learning CVC words in class. Can you write them using shaving foam? Our words to practice this week are:
