

Opportunities for personal achievement

- Star Writers, Marvellous Maths, Extraordinary Effort, Caring Classmate, Helping Hands weekly awards and recognised on Class Spotlight board.
- Individual & Team Points
- Selfie Sticks & Work We are Proud of Wall
- Progression through different levels on various apps – Sumdog, TT Rockstars, Epic/MyON/Education City etc
- My learning this term – produce SWAY and present to class and send home to parents/carers.
- Classroom roles and responsibilities for resources/technology/etc

Interdisciplinary Learning

- **12 Sways of Christmas Challenge** - opportunity for children to evidence their learning in a creative and imaginative way.
 - **Christmas around the World** - collaborative team task, children will choose country of their choice to research and present findings back to other groups.
- Proposed learning intentions:**
- children become more aware of their own cultural heritage, its traditions and its celebrations;
 - appreciate ways we are similar and different, for example through our culture and religion;
 - identify similarities & differences by making simple comparisons &

The Curriculum connections

'the totality of all that is planned for children and young people throughout their education'
