

Sustainable Food Systems For Food Security and Nurtrition

The logo of World Food Day

World Food Day

October 16

Our food shopping is getting more expensive

Everyone seems to be complaining...

Kompong Thom, central Cambodia

**The pay for a day's work in
Cambodia's rice fields is 40p**

Phnom Penh, Cambodia

The world's 2.7 billion poor people spend up to 80% of their incomes on food.

What happens when the price of food doubles in a year?

But why does food costs rise?

Rising population

Rising oil prices

Climate change

What can you do?

Learn more, tell others and keep talking

Change the way you live

Family Challenge

WHAT WILL YOU DO
TO MAKE A
DIFFERENCE???
