

Dear Parents/Carers,

There has been a mix up between myself and the Community Centre, my fault entirely! We will now have our 'Scottish Evening' on **Tuesday 26th Jan 2016 at 6pm**. I do apologise for the late notice but Laura was off a few days last week when I discovered the error. Tuesday is the only day the Community Centre has a free evening just now and due to the numbers involved we could not even have it, at a push, in our school hall.

All the children are taking part in dance, poetry, telling jokes or singing and I am hoping you will join in some dancing too. The evening is free and therefore no need for tickets. Refreshments will be available as you come in and also available for the children following their presentations.

Kind regards,
Mary McKenzie
