

P6 MATHS

You will need a dice (ask for one if required). Roll the dice 5 times (mild), 6 times (spicy) or 7 times (hot) and record each number as you roll. Create the highest number and lowest number possible. Write the number in both figures and words.

When travelling in your car, record the start km and finish km then find the difference (remember to use an operation to do this). Then convert this number from km to metres. Remember 1km = 1000m

READ IT!

P7 - It is your responsibility to record when your reading is due in your homework jotter and have it complete for that date.

P6 - Please complete reading given on Mondays.

P7 Maths

Record how long it takes you to do various tasks in hours. Minutes, seconds and milliseconds. Can be any activity (could be walking the dog, playing the computer, doing the dishes), just record the start time and end time and then calculate how much time has passed.

Practise your times tables using this link. (Should be tablet or phone friendly).

<https://mathsframe.co.uk/en/resources/resource/318/Tommys-Trek-Times-Tables>

P6/7 Home Learning**A note from the teachers.**

Please make sure you bring your homework jotter and reading book to school everyday!

SPELLING IT!

Create a Story using your spelling words.

Then do an active spelling activity of your choice.

IDL!

Create a model of a WW2 Plane.

P.E.

Please make sure you have a P.E. kit with you on Tuesdays and Thursdays.

Literacy

It is important pupils have an independent reading book in school with them.
