P5/6 Home Learning

MATHS IT! ★

P5s - Play Place Value Yahtzee with someone at home.

Place Value activities sheet.

P6s

Maths - money conversions sheet.

Numeracy - Sumdog assessment on place value and decimals

READ IT! ★

P5

Reading as set in class.

Non-fiction book & comprehension questions on Bug Club.

P6s - see home learning jotter.

DISCUSS IT!

Our class topic is Democracy/ The Scottish Parliament.

Discuss your understanding of democracy with someone at home.

How are the Scottish and UK governments different.

Listen out for news items linked to the Scottish and UK governments.

SPELL IT! ★

Rainbow write your spelling words.

Create a pairs game for your spelling words where one card has the word and the other card has a definition of it e.g.

fetch	To go for and bring something back
-------	------------------------------------

MOVE IT!

In PE we are focusing on developing our fitness.

What can you do at home to improve your fitness?

Can you practise some of the fitness tasks we are using in school?

STEM IT!

What can you find out about climate change? Listen out for news stories linked to climate change or do your own research about it.

Research - what changes can we make to help tackle climate change?
