Measure IT!

Find the length of 4 items around your home. Create a table in your jotter of what you think the length will be and then measure it.

\*\*Challenge – find the difference between your estimate and actual length\*\*

**READ IT!**

Read the assigned pages of your reading book for the date given.

Keep up to date with your reading so you can complete tasks in class.

**Remember to bring independent reading book and homework jotter to school everyday.**

**PE IT!**

Remember to bring your PE kit to school. Our PE days are Monday and Thursday.

**Fact and Opinion IT!**

Explain the difference between fact and opinion to someone at home. Can you give an example of each of these?

**SPELL IT!**

Write each word in pencil then trace over each word in colour OR write 3 silly sentences using your spelling words. Make sure you underline your spelling word.

**Describe IT!**

Write down any great describing words from your reading book. Can you create your own sentence using the words?

**Times table IT!**

Ask someone at home to challenge you on the times table you have been working on. Remember to use strategies you know to help (arrays, repeated addition).

**P3/4 Home Learning**
