P6 MATHS

Maths - ask your parents/family member, if they have ever had to calculate the area and/or perimeter of a room. Why? Give a description of their answer in your jotter. If not, can they describe a reason why you would need to know the area of a room?

Using a measuring tape, calculate the perimeter and area of the smallest room in your house. Draw a rough sketch of the room and label the perimeter and area. If you do not have a measuring tape, please ask and we can find you one to borrow for this task.

READ IT!

P7 - Chapters as directed for reading group.

P6 - See Home Learning Jotter.

P7 Maths

What is:

3% of £450.00

5% of £120.00
