## TIME

In class, we are learning about Time. Have a 'Time Hunt' looking for clocks, watches and timers that you have around the house.

For **P1** talk about the time you do things every day.

For **P2** look at different styles of clocks. Can you say whether they are analogue or digital?

What is the main difference?

## READING

Complete your reading for the date given. **PLEASE** return reading books **DAILY**.

## SOUNDS & COMMON WORDS

**P1** Say your sounds and common words as often as possible. Look for things that start with the sound 'b' and 'o' in magazines etc. Cut them out and add them to the Home Learning jotter.

**P2** Read your common words as often as possible. For Dictionary work, please complete the starred activities.

## P1/2 Home Learning

## Sumdog

All pupils have Sumdog logins that can be found inside the Home Learning jotter. Sumdog is a very sensitive, maths learning game that reacts to pupil's answers. **PLEASE DO NOT PLAY YOUR CHILD'S GAME.** You can register for your own games free of charge.

## Nativity

Now that we have had our very successful Class Assembly, we will move straight to learning the songs and parts for our nativity, Shine, Star, Shine! A solo song performance is planned. Pupils can learn the song 'Far Below' and audition for the solo on Wednesday 14<sup>th</sup> November. Parts, costumes and lines will be sent home with the next set of homework.

## P2 Spelling

P2 spelling words are in the Home Learning jotters. Please choose an activity from the Active spelling leaflet and complete it in the Home Learning jotter.

## Technology

We need lots of junk modelling materials for our cut and stick and modelling play choices areas. Please collect empty boxes and bring them to class to be 're-modelled'. Thank You!
