

P5 MATHS IT!

Strategy jotter - share multiplication strategies with someone at home.

P6 MATHS IT!

Numeracy

Practise a different times tables from the last homework but this time outdoors. Can you make natural arrays? Can you create a hopscotch and job these? Be creative!

**P5/6 Home Learning****REHEARSE IT!**

We will be holding auditions for our school show soon.

If you wish to audition for a part then you should practise your performance skills at home.

Think about - volume, tone, body language, using facial expressions and gestures to convey meaning.

If you do not want a speaking role, think about which other jobs you would like.

READ IT!

Reading as set weekly.

We are reading *Going Solo* in class which is an autobiography. Have you read any other autobiographies? Think about a person who's autobiography you might like to read, perhaps you might look for this in your local library.

WRITE IT!

If you were writing an autobiography, what exciting event or memorable moments would you write about?

Try writing part of your own autobiography.

SPELL IT!

Choose your own way to practise your spelling words - how creative can you be?

Write your own definition for your spelling words or use a dictionary to help you if you are unsure of the meaning.
