

**MATHS IT!**

P5

Strategy jotter.

Play this game which we have been using in class:

<https://www.mathplayground.com/funactionmachine.html>

P6

Practise reciting a chosen times table from x6 upwards (8 times 0 equals 0, 8 times 1 equals 8 etc). Time yourself using a stopwatch to the nearest tenth of a second.

Repeat this **at least** 5 times over the fortnight, practising a different times tables each time. Then order your decimal times from shortest to longest.

**TALK IT!**

Continue to work on your group talk and to rehearse lines for the school show.

**P5/6 Home Learning****World Book Day**

For World Book Day on 7<sup>th</sup> March please bring in an old book you no longer want to swap for another book.

Books should be sent to P5/6 classroom from week beginning 25<sup>th</sup> February. Remember on 7<sup>th</sup> March you can also come to school dressed as a character from a book.

**SPELL IT!**

Write your words out once, then once with vowels missing and once with consonants missing.

Play spelling tennis with someone at home.

**READ IT!**

Reading as set weekly.

Read the poem Scots Wha Hae by Robert Burns with someone at home. Discuss how this links to the Scottish Wars of Independence.

<https://www.poetryfoundation.org/poems/43813/scots-wha-hae>

**SHARE IT!**

Share what you have been learning about the Scottish Wars of Independence at home. Can you think of 5 things you have learned that you did not know at the start of our topic?
