P5/6 Home Learning

P5 MATHS IT!

Strategy jotter - share the multiplication and division strategies you have been learning with someone at home.

Can you create 3 different word problems which use addition, subtraction, multiplication and division? Make sure you demonstrate you know the answers to the problems you create.

SPELL IT!

Use rainbow writing to practise your spelling words.

Write a paragraph containing as many of your spelling words as possible.

REHEARSE IT!

If you have a speaking part in the show begin to learn your lines.

TALK IT!

Prepare a group talk about a career which interests you. You will be given further information about this separately.

Group talks will take place in class week beginning 4th March.

READ IT!

Reading as set weekly.

Keep updating your First Minister's Reading Challenge updated with any books that you have been reading at home.

WRITE IT!

Practise your handwriting, presentation and punctuation writing a story of your own choice.
