## P1 Common Words

Read your common words as often as possible.

## P1/2 Home Learning

## 2D and 3D shape

We will begin learning about shape over the next weeks. You can help by talking about shape names including circle, triangle, square, oval, cube, cuboid, prisms and pyramids. You could go on a shapes hunt walk, or point out shapes in books and magazines.

## Show and Tell

Over the next 2 weeks, pupils may give a presentation on a club or special interest they have. For example, they may say all the clubs they attend and go on to say which is their favourite and why. Or, pupils may choose an interest they have. For example, they could say they are interested in insects and then choose ladybirds as their favourite to talk about in more detail.
