P6

Teach your parents about the multiplication strategies you have been learning:

Compensation (friendly numbers)
Factors and multiples
Commutative Rule
Distributive Property

Write your examples in your home learning jotter.

**p5/6 Home Learning****WALLACE AND BRUCE****IT!**

Identify the key things that you have learned during our learning focus on The Scottish Wars of Independence.

Choose your own way to present these, it could be as a mind map, a Powerpoint presentation or as a list of bullet points in timeline order.

We will share these in class on 3rd April so please make sure you have something ready to share by then.

READ IT!**P5**
