MATHS ⭐

Clever Cookies

Create an array to illustrate the x3 and x4 table facts.

Bright Sparks

Roll a dice 3 times to create a number with a Tens and Units and 1 tenth. Then convert it to a fraction eg 12.5 = 12 5/10 or 125/10. Draw a picture representation for each of your numbers.

Genius Gems

Write 10 numbers, each with between 4 and 5 digits. Structure each number differently using only hundreds or tens. For example 2000 = 20 Hundreds or 200 Tens

1340 – 134 Tens

READING ⭐

Complete the reading pages in your homelearning jotter.

P3/4 Home Learning

A note from the teacher:

If you do not understand any of the homework, please come see me at the end of the day or phone the office - Mrs J.

SPELLING ⭐

Choose 5 of your spelling words that you are unsure of the meaning. Use a dictionary to find the definition and write this in your homework jotter.

Then use a thesaurus to find an synonym for 5 of the other words. Write these out in your homework jotter, eg good = nice

You can illustrate your words to help you remember them.

P.E

On PE days (Monday and Thursday) it is ok to come dressed in your P.E. kit. However, it should be a blue or white plain t-shirt that is worn.

IDL

Make a sweet to go on to our Gingerbread House for the show. Or, if you require a mask for your costume, you could create this.

Show

Practise your part, remembering:

- expression
- volume
- pace of delivery of words
- acting – body movements and facial expressions

Using the costume list on the blog, gather clothes for your costume. **All costumes in school for Friday 31st May.**
