

## p3/4 Home Learning

### SPELL IT! ★

Choose 2 of your own ways to practise your spelling words. Be creative - think about the different ways we practise words in class - writing, saying and making the words in different ways.

### STEM IT!

Find examples of objects in your home which produce:

- Movement energy
- Electrical energy
- Light energy
- Thermal energy (heat)
- Sound energy

### MATHS IT! ★

#### Number

##### All

Practise your times tables and division facts.

##### P3

Practise skip counting in 2s, 3s, 4s, 5s and 10s forwards and backwards.

##### P4

Practise skip counting in 6s, 7s, 8s and 9s forwards and backwards.

#### Shape

Can you make a picture using as many 2D shapes as possible?

Try to include:

- A rhombus
- A trapezium
- A decagon

### READ IT! ★

Reading will be set separately in reading diaries.

Please have reading diaries and books in school every day.

Look out for your common spelling words in your reading book or any other texts that you read.

### AUTUMN IT!

Go on a walk and look for signs of autumn.

You might wish to take some pictures that you can share or bring in some things that you find lying around e.g leaves that have fallen from the trees or conkers.
