

## P3/4 Home Learning

### SPELL IT! ★

- Write sentences for each of your common words.
- Write out your key words and challenge words twice - once in coloured pencil or pen and once in pencil.

### MATHS IT! ★

- Money worksheets
- Play this game on Topmarks:

<https://www.topmarks.co.uk/money/toy-shop-money>

Choose a level which challenges you.

### READ IT! ★

New reading books issued on Bug Club (non-fiction texts). You should aim to complete 1 book every 2 weeks. Time will also be given in class to work on each text. Pupils can continue to choose their own personal texts for reading for enjoyment.

### DISCUSS IT!

Our new topic is Edinburgh/  
Greyfriar's Bobby.

Talk to someone at home about  
Edinburgh:

Have you ever been there?

What did you do when you were  
there?

Have you seen Greyfriar's Bobby?

Can you think of other famous  
stories based in Scotland?

### HEALTH IT!

Our new health focus is 'Celebrating  
Differences'.

Choose someone in your family and make 2  
lists - ways in which you are similar and  
ways in which you are different e.g

Same - eye colour, hair colour, favourite  
ice-cream flavour

Different - age, height, hobbies
