P3/4 Home Learning

SPELL IT! ★

Choose your own way to practise your spelling words.

MATHS IT! ★

- Make your own version of the Fractions Pairs game we have been playing in school to play with someone at home.
- Continue to practise your recall of halves and quarters of a quantity.

READ IT! ★

New reading books issued on Bug Club (non-fiction texts).

Personal choice fiction texts.

Remember to add any books you have read to your First Minister's Reading Challenge passport.

CREATE IT!

Make a Christmas decoration for our classroom.

Extra challenge - use household waste items such as yoghurt pots as part of your decoration.

DISCUSS IT!

Talk about what we have been learning about plastic pollution. Can you suggest ways that your family could reduce the amount of single use plastic items in your household?
