

MATHS IT!

Time

a) How long does it take?

Estimate or measure how long it takes to do 3 different activities (e.g. brush your teeth, walk the dog, eat dinner). Record this for four days.

b) 24 Hour clock

Record all the different places at home where time is displayed in 24 hour format (e.g. TV, cooker)

SPELL IT!

Write your words. Then use a coloured pencil to divide the words into syllables.

e.g. jump ing
cat er pill ar

Write all of your words replacing vowels with a line. Go back and see if you can fill in the vowels.

e.g. q--st--n = question

p5/6 Home Learning

RESEARCH IT!

Our Christmas Enterprise product, the Tawashi, is linked to our sustainability topic.

We have talked about Fast Fashion in class and its impact on the environment. Research one new fact about fast fashion on the internet and write it in your jotter.

READ IT!

Reading as set in class.

ExtensionTask: Write down three new words that you have learned from your book. Explain what they mean.

THINK IT!

We have finished our class novel, *The Butterfly Lion* by Michael Morpugo. Think about the following. Write your answers in your jotter.

The old lady says that 'true stories do not always end just as we would wish them to'. Do you prefer to hear the truth or something made up that keeps you happy?

Extension:

Invent a machine that could have changed the outcome of the story.

- Draw a scene from the book including the machine and characters using it
- Write down how the machine works, who would use it and what difference it would make to the story.
