P1/2 MATHS

All children now have Sumdog logins. These can be found in the inside of the pink, Home Learning jotters. Sumdog is an online maths game that sets questions for each child, at their level. The software adjusts to suit the individual level of each child. Please DO NOT play your child's Sumdog game or give children the answers. Adults can register for their own login, for free. To begin with, pupils may need help to enter their username and password. Pupils can also personalise their avatar, and can choose their own hair style, colour etc. www.sumdog.com

READING

P1/2 Complete your reading for the date given.

SOUNDS & COMMON WORDS

Say your sounds and common words in your booklet every day.

P1/2 Home Learning

P2 Spelling

P2 spelling words are in the Home Learning jotters. Please choose an activity from the Active Spelling leaflet and complete it in the Home Learning jotter.

On-Line Stories

We have been hearing stories from BBC's Word Waves and children may like to hear them again at the link below.
