## Numeracy

Climb the wall: You will need 2 dice. Create 5 multiplication sums of ascending difficulty.

Start by rolling 2 dice to give you a 2 digit number. Then roll 1 dice to give you a single digit number to multiply by.

For each sum after this you must roll an extra dice to give you an extra digit. You can add the extra digit to either number. i.e.

First Sum: you roll a 1 & a 2 together followed by a 4 =  $12 \times 4$ .

Second Sum: Roll 4 & 5 together followed by a 3, then a 2. Could be  $45 \times 32$ ,  $453 \times 2$  or  $452 \times 3$ .

## READ IT!

Reading homework:

Chapters + your literacy Circle Job.

This job must be completed at home ready for when you come into school.

## P6/7 Home Learning

### A note from the teachers.

Although our P.E. days remain Mondays and Thursdays can you please ensure pupils have P.E. kits with them from a Monday to a Friday as they could be required to do physical activity throughout the week

## Maths

## IDL

What is the most endangered species in Scotland?

Can you find out the reasons that have led to it becoming so threatened?

Present the information how you choose.

## Spelling in Context!

Do 3 different active spelling activities with ALL of your words.

### Homework

Paper copies of the homework grid are available on request.

### Literacy

**Pupils MUST have an independent reading book in school with them.**
