

P3/4 Home Learning

SPELL IT!

Make a wordsearch that contains most of your spelling words. You can use the template sheet you are given or make one online using:

https://www.abcya.com/games/make_a_word_search

Practise your common words by writing a short story containing all of your common words.

Check your finished story to see if you have missed any capital letters or full stops.

MATHS IT!

All - Time worksheets

P3

Practise sharing objects into equal groups e.g if you have 14 buttons how many groups of 7 can you make?

P4

Can you work out how many ways you can divide these numbers:

40 16 36 60

e.g

I can divide 24 into 8 groups of 3, 3 groups of 8, 4 groups of 6, 6 groups of 4, 2 groups of 12 or 12 groups of 2.

READ IT!

Weekly reading as set in reading records.

Personal reading - can you read a text that will help us to complete our First Minister's Reading challenge A-Z?

EGYPT IT!

Teach someone at home about mummification. You could try mummifying an orange like we are doing in school.
