## Numeracy

Create your own Division and Multiplication game.

It could be like Snakes and Ladders where there is a sum on each square and you need to complete the sum or go back to where you started.

It could be like chess, but you have to complete a sum before each move.

Or you can make up your own game with whatever rules you like just as long as it involves division and multiplication.

## READ IT!

Reading homework:

Chapters + your literacy Cricle Job.

This job must be completed at home ready for when you come into school.

## Maths

### Bird Song Tracker:

When you wake up in the morning, how many birds can you hear singing? Create a table with the days of the week and tally how many birds you can hear each morning on each day. At the end of the week turn your table into a Graph of your choice.

## P6/7 Home Learning

### A note from the teachers.

Although our P.E. days remain Mondays and Thursdays can you please ensure pupils have P.E. kits with them from a Monday to a Friday as they could be required to do physical activity throughout the week

## Spelling in Context!

Write a story.

Use as many of your spelling words as you can.

In each sentence that you use a spelling word you must also have a **verb**, **adjective** and **adverb**.

### Homework

Paper copies of the homework grid are available on request.

### Literacy

**Pupils MUST have an independent reading book in school with them.**

IDL - Research Piece:

How is technology used to help protect or monitor endangered species?
