

## P3/4 Home Learning

### SPELL IT!

For each of your spelling words roll a dice. The number that you roll will tell you how many times to write the word

e.g if you roll a 4 you would write the word 4 times.

If you wish you could add in writing the words in different colours, in capital letters or in fancy writing.

You might want to type the words instead and share your work on TEAMS.

### MATHS IT!

#### P3

Look for 3D shapes at home and outside. How many different 3D shapes can you name?

Practise division using this game. You should try dividing by 2, 3, 5 and 10.

<https://www.topmarks.co.uk/maths-games/mental-maths-train>

#### P4

How many 3D shapes can you find at home or outside which are not cubes, cuboids or cylinders?

Practise your division facts using this game. Choose level 2 division

The game is called Daily 10, can you try and practise the division facts each day and improve your time or score?

### READ IT!

Continue to read your book as set on BUG CLUB.

We are going to be looking at poetry in the next 2 weeks. Do you have a favourite poem you could share with the class?

### GLOW IT!

Make sure you can log in to GLOW and BUG CLUB. Show someone at home how to use TEAMS.

Maybe you could use GLOW to complete a home learning task.
