NEW TOPIC - MAPS

Our new topic is..... MAPS!

We have already had a chat in class about our new topic.

We also watched a video about aeroplanes and saw the trees, fields, rivers and some landmarks from the plane. You can watch this again here. Watch out for the Eifel Tower!

Over the next week, your task is to draw a map of your bedroom as if you were looking down on it!

This will take lots of practice. You may need to make a few maps before you are happy with your map.

Here are some tips.

Think of the shape of your room.

Is it a rectangle, a square, more than one shape?

Stand in the middle of your room.

What do you see in front of you?

What do you see behind you?

Where is the door and the window?

Make a list of all the important features. Features are things like windows, doors, beds, dressing tables, wardrobes etc.

You could make a list in your pink Home Learning Jotter.
