

Just an update from the nursery to say we hope you are all managing having your wee ones at home and hope you are finding some of the ELC Blog ideas and apps useful.

If you haven't already done so, why don't you plant your sunflower seeds and try painting or drawing a picture like Van Gogh's?

Children in nursery enjoy watching episodes of "Come Outside" on You Tube during our daily Quiet Time. There are several episodes about planting and this may be a nice link. <https://www.youtube.com/watch?v=op86kAE0Nsw>

Have a look at the Topmarks website and find the ladybird counting and matching game. Draw some ladybirds on your sunflowers.

Take care and don't forget to utilise the ELC Blog for lots of apps, links and ideas.
