

Nursery Activities 25.3.20

Story link for today is The Very Hungry Caterpillar, read by Eric Carle

<https://www.youtube.com/watch?v=vkYmvxP0AJI&feature=youtu.be>

If you have paints at home why not try potato printing a caterpillar using 2 colours. You could create a repeating pattern. If you have no paints you could draw circles using 2 colours.

Can you count the foods on each page ? Which ones are your favourite foods?

Can you find a nice green leaf in your garden for the caterpillar to eat?

Design a butterfly and cut it out.

You could look at the frog life cycle in your activity pack and make your head band. Have fun!
