

Nursery Activities 1.4.20

Paper Dolls

Click on the book to hear Julia Donaldson read the story and show you how to make your own paper dolls.

How many dolls are in your chain. Can you make another chain and add them together? How many dolls in the chain now?

Give them some faces like the ones we make in nursery when we are pretending to be happy, sad, excited, shocked and other emotions.

Do some dancing to help you put on your happy face!

Click here to dance “Freeze and move” as we do in nursery.
