

# Primary 1 Learning At Home

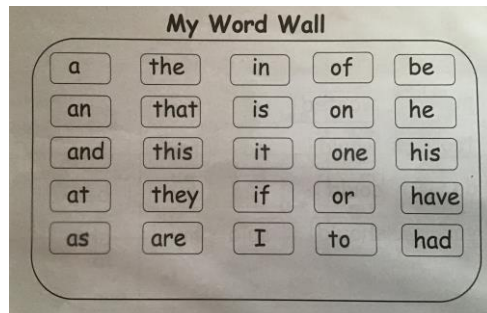

Thursday 2<sup>nd</sup> April 2020

Today is the penultimate day of P1s Term 3! 19/20

## Common Words

Today you will need 'My Word Wall' from the Phonics pack. It should look like this.

You will also need a coloured pencil. Read each word along the line (a, the, in, of, be NOT a, an, and, at, as, this is too easy).

Any words that can be sight read quickly and with no hesitation can be coloured in.

To colour the words use a light blue or yellow or something similar so the words can still be read clearly. Have you learned more? Keep practising!

## P1 NUMBER

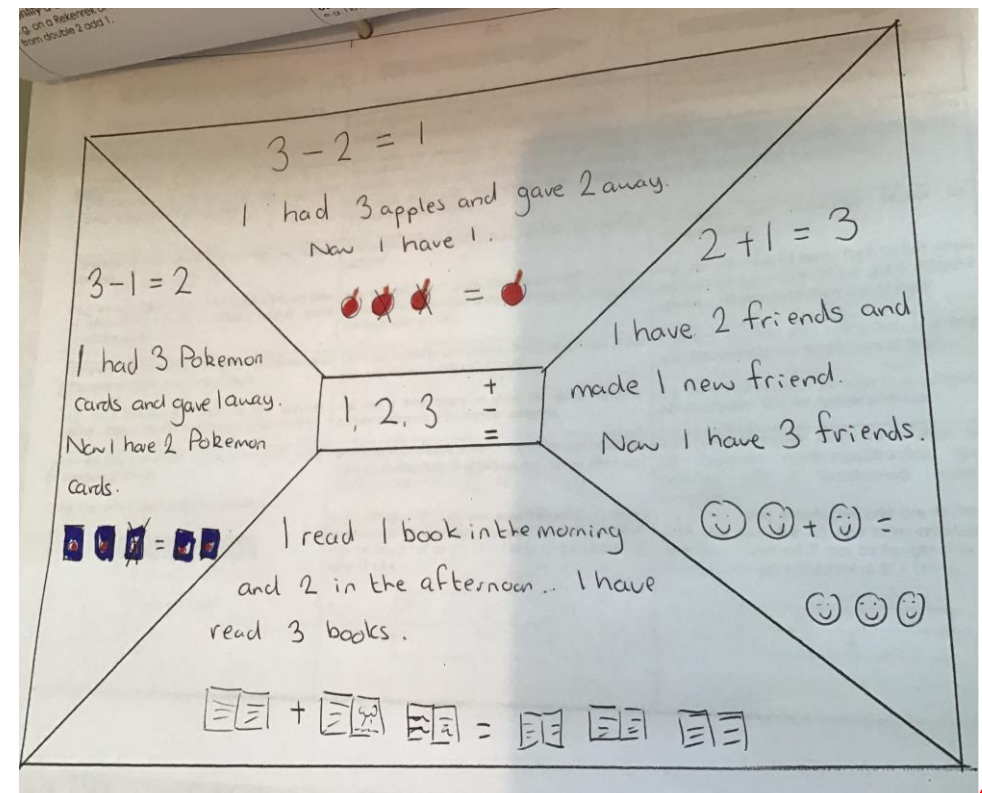

### Addition and Subtraction Problem Solving

You may have seen P2s using 'Think Boards' in class. Try this and see how you do. To make a 'Think Board' you can download the one below or make your own.

First put 3 numbers in the middle box. To begin with use number 1, 2, 3, 4, or 5.

Now think of 4 calculations that use your 3 numbers. You will need to use the +, - and = symbols.

Your Think Board might look like this for the numbers 1, 2 and 3.

## PE and Dance and Music

Have a look at the link below and practise the moves. Can you make up one of your own?
