

Primary 1 Learning At Home

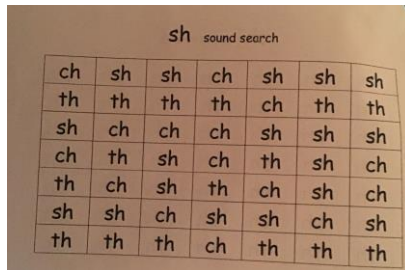

Wednesday 22nd April 2020

Common Words

Get the common words you are practising this week. Now get your pink Home Learning jotter and write out each word using a different coloured pencil for each letter. OR you can write them out using bubble writing! You choose!

Sounds Search

We have learned so many sounds in P1 but we need to keep them fresh in our minds. You will need the Sound Search and will re-visit the 'sh' sound. It will look like this.

Remember to add your date at the top left corner. Work your way along or down and circle all the 'sh' sounds. How many did you find?

P1 Reading

This is a Bug Club book. You will need to log on to www.activelearnprimary.co.uk. The pupil logins are in the pink Home Learning jotter and the reading records.

Things to talk about

- What do you think this book will be about? Look at the front cover. Can you sound out and blend any of the words?
- What is different from this book and the Kipper books? This is a different genre. It is a non-fiction book.
- **Talk about the pictures on each page** before working/reading the sentences.

Bug Club 'Is It Quick?' Pages 1 to 9

Things to talk about

- Look at the front cover. Can you find the 'Qu' sound? What 2 letters do you need to make 'Qu'? What 2 letters make 1 sound in Quick? (ck)
- On page 2 and 3, how many times can you find the word quick?
- Can you read the sentences?
- Try to read the sentences on page 4 and 5. Use the pictures for clues.
- Try to read pages 6 to 9 by yourself. Take your time and enjoy reading.

P1 Reading

Things to talk about for all books

- What do you think this book will be about? Look at the front cover and the back cover, can you sound out and blend any of the words?
- What is different from this book and the Kipper books? This is a different genre. It is a non-fiction book.
- **Talk about the pictures on each page** before working/reading the sentences.

'Making a Road' 1 to 7

Things to talk about

- Look at the front cover. Can you find the 'ng' sound? What 2 letters do you need to make 'ng'?
- Find the word road. What 2 letters make the 'oa' sound?
- Look at the back cover. Can you read any of the words on the blurb?
- Look at page 1. Can you read the sentence?
- Look at pages 2 and 3. Find the word machines. They have a 'ch' sound but this does not make sense so we try 'sh'.
- On page 4 and 5 can you find the word 'makes'? The a and e work together to make an a_e sound. The 'a' uses its name not its sound when working with 'e'.
- Try to read the sentences from pages 4 to 7 using the pictures to help with unfamiliar words.

P1 Number

Time and Calendar

- Take out the calendar page for April 2020.
- Put a tick or cross on yesterday's date.

We are going to look at the days of the week in March and April.

- First look at March and find the Sunday column.
- Look down the column and find out how many Sundays there are in March. Each box will need a date in it.
- Now look at the April calendar and find the Sunday column. How many Sundays are in April? Remember you only count the boxes with a date in them. Which month has more Sundays?
- Now look at March again and find the Saturday column. How many Saturdays are in March?
- Now look at April and the Sunday column. How many Sundays are in April?
- Can you do the same for other days of the week?

Counting to 100

- Sing along to the song

Mini Topics

Choose which Mini-Topic you would like to work on. You may choose more than 1, but have a main topic. We will make a 'Fact File' on your chosen topic. There are different ways to record your work. You can record your work in the pink Home Learning jotter. Start at the back of your jotter. If you would prefer, you can make a Topic book by stapling/ joining paper together. Or you may print out the page below.

Your first task is to design a front cover for your Mini-Topic. To be successful in this lesson you will need

- A Title
- Pictures that give clues about the mini-topic
- The author (that's you!)

This is my front cover opposite. I've chosen tadpoles and used colour to make it attractive.
