

P2 Reading continued

'Pocket Money' 1 to 9

Talk about the pictures on each page before working/reading the sentences.

Things to talk about

- Use the front and back cover to find out what characters are in this book and where the setting will be.
- On page 1 find the word that uses the 'oa' sound. What is the word?
- Find the word that uses the 'ou' sound. What is the word?
- Find the words 'piece' and 'either'. Take a minute to look at these words and their sounds.
- On page 2, can you find the word true? What sound do the letters 'ue' make?
- Try to read pages 3, 4 and 5 by yourself.
- On page 5, can you find the word beach? What letters make the 'ea' sound?
- On page 6, look for the words 'played' and 'chased'. There are 2 ways to make the same sound. What are they?

P2 Reading continued

'Town Dog' to pages 12 to 17

Things to talk about

- Look for the word 'uniform'. If you try to sound it out it will not make sense. Some words we just have to learn!
- Do you know what RSPCA stands for?
- Page 12 tells us Lou-Lou got a surprise when she growled. Why do you think that was? (perhaps she didn't need to growl because she had an owner who lived a very quiet life)
- Read page 13 and then say where you think Lou-Lou is going.
- Look at page 14 and find the noise the train is making. Practise the sounds and see if you can make it sound like a train.
- Read page 15, where do you think Lou-Lou is going? Use the clues on page 15.
- On page 16 we are introduced to new characters. Who are they?
- Do you think Lou-Lou will be happy in her new home? Why?

P2 Number

Calendar

- Take out the calendar page for April 2020.
- Put a tick or cross on the numbers 24, 25 and 26.
Why did we need to cross out 3 days? What is today's date?

Money

WHAT CAN YOU DO WITH IT?

We are going to learn about money. What can you do with money? Make a list and see how many things you can think of.

Did you think of these? Buy things like food, pay for things like going to the theatre (entertainments), save it, give to charity or a good cause, put it in a bank account and earn interest, lend it to someone.

WHAT DOES IT LOOK LIKE?

Money comes in all sorts of different ways. There are coins, paper money, credit cards, gift cards and bank accounts. Can you think of any others?

Ask to see a credit card. What numbers are on it?

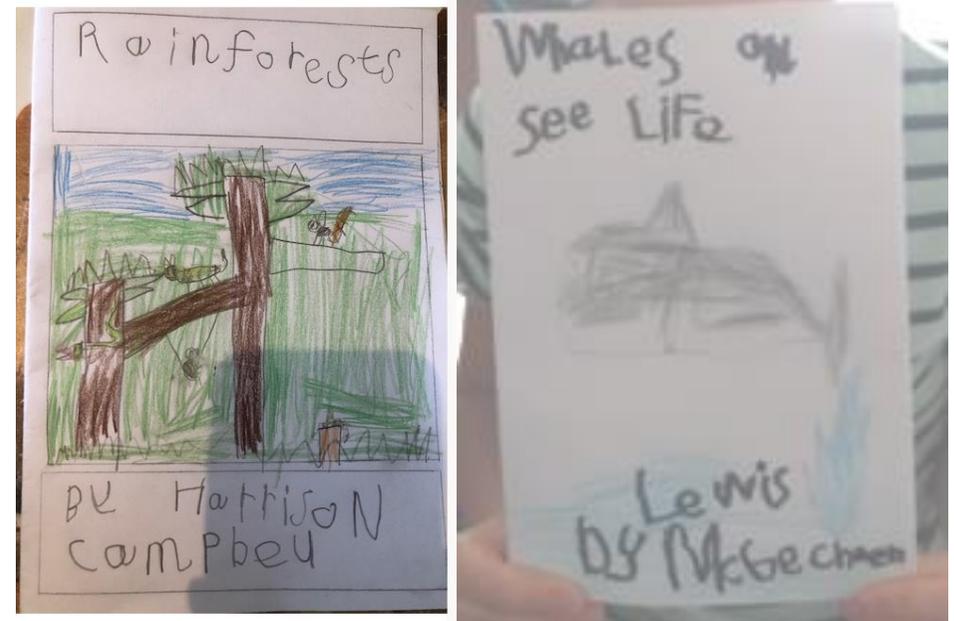

Watch the video about credit cards.

<https://www.youtube.com/watch?v=Z0cbjc54kjl>

Credit means you are given something (money) you don't have. When talking about money, interest is money added on. SO if you borrowed £500 and paid interest, you might have to pay back £550.

Topics

Over the next few weeks you are to make entries into your Fact File. Remember you made a front cover for it last week? Here are two that were sent in. They have a title, pictures for clues and the author's names!

The next page in your fact file needs to be left blank because when you have finished it, we will return to this page and make a contents list. Think back to the fact books (non fiction books) we have read in class. One of the class favourites was 'Fish'. It had different information all about sea creatures listed in the contents page and we chose which pages to read.

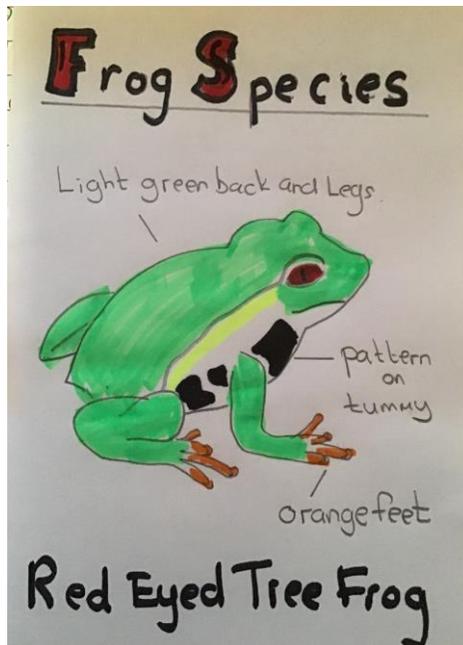

There will be activities for each of the mini topics on the blog, but you can also add your own. Please email and let me know of things you would like to find out about your chosen topic (no new topics thank you) and I can make interesting activities for you.

First Fact File Entry

Read the activity on your chosen mini-topic, then make an entry into your fact file. To be successful you should

- Add a heading
- Add an illustration
- Make sure your illustration has lots of detail
- Label you illustration (at least 3 points)
- Use colour to make your entry attractive

You may use a template similar to the one below. We will write about your mini-topic tomorrow so keep your first entry to labels.

You may add more entries like this.
