

Nursery Home Learning from Mrs Wilkes

Hello Everyone. Today we are going to look at the story The Three Little Pigs. You might have the storybook at home to read with an adult but if not, click the picture to hear the story.

Tell a grown up the story of the Three Little Pigs and try to use a different voice for each pig. What sort of voice would the wolf use?

You could try to make puppets to re enact the story. Paper cut outs could be taped to the handles of spoons

After the Three Little Pigs got rid of the Big Bad Wolf, they decided their house was too small for them. Can you draw a new house for them and perhaps an adult could help you label some of the features?

Sing It!

Watch the following link and try to sing along to the song

<https://www.youtube.com/watch?v=2s7cz6p7jew>

Build a model of a house for a Little Pig. Ask an adult to use a hair drier to blow on it.

Which are the best materials?

Does it stay standing?

How could it be made stronger?
