

Primary 1 Learning At Home

A new month. Friday 1st May 2020

Health & Wellbeing

Friendships

Watch the story on the video then have a chat with someone about friendships

<https://www.youtube.com/watch?v=6Xf5efz-jqU>

Things to chat about

- What makes a good friend?
- Who are your friends and what makes them special?
- What do you have in common with them?

Handwriting

Turn to the back of your blue jotter and you will find the letter 'Mm'. Watch the video on correct letter formation for 'Mm'.

<https://www.doorwayonline.org.uk/literacy/letterformation/>

Practise writing the letter M and m.

Write 3 words that use the 'm' sound and draw pictures to match.

Remember to write the date at the top left corner.

1.5.20

Calendar

Take out the calendar page for May 2020.

Put a tick or cross on the last day of April. Today is Friday 1st May 2020. The short date is written like this 1.5.20

1 is for the first day. 5 is for the fifth month.

January 1, February 2, March 3, April 4 and May 5.

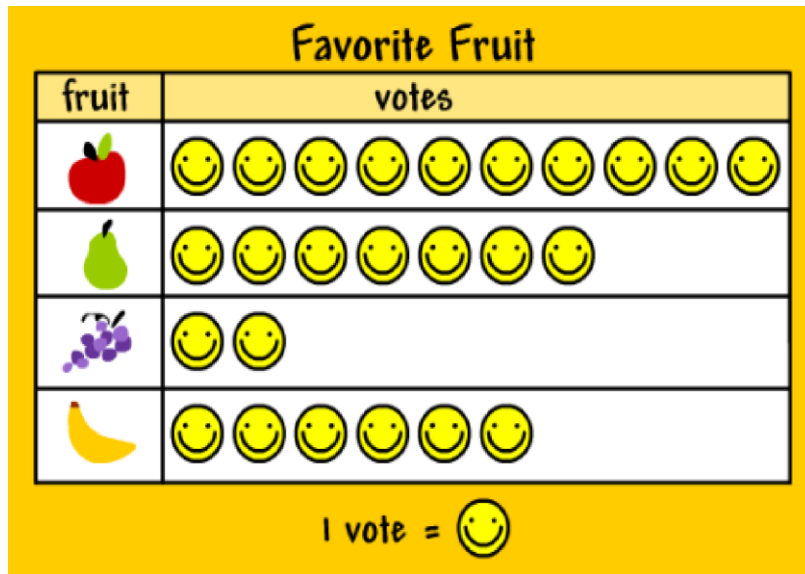

- How many days are in May?
- What day of the week is the last day?

Information Handling

PictoGraph

Today we are going to make a pictograph. This is a graph that uses pictures. You will get to decide what information to collect to put in your pictograph.

Here is a pictograph about favourite fruit.

Things to talk about

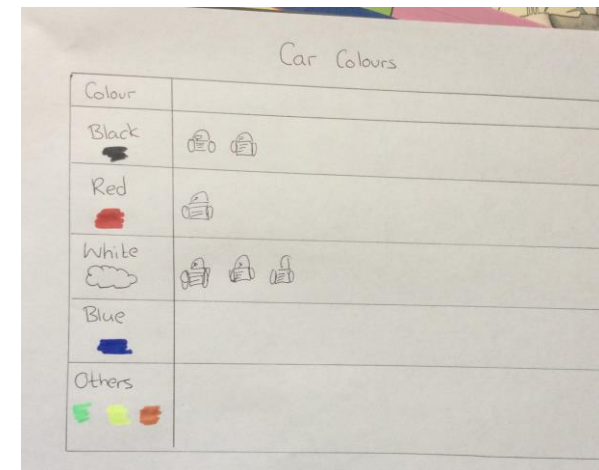

- What is the most favourite fruit?
- What is the least favourite fruit?
- How many people voted for their fruit?
- How many different fruits were voted for?

Information Handling

PictoGraph continued

If you live near a road, you could make a pictograph about the most popular colour of car or the different types of transport you see (cars, busses, bikes, trucks). If you have a garden, you could perhaps look for mini-beasts (worms, ladybirds, caterpillars, wood louse) or types of birds (blackbird, blue tit, crow, sparrow, magpie).

To begin you will need to draw some lines. Use your pink Home Learning jotter. Remember to use a ruler. If you chose car colours it should look like this.

Each little drawing = 1 car. You could sit at your window and draw in the car colours as they go by.
