

## Springtime Animals

Have you spotted any new lambs or ducklings on your daily walks with your family?

The ladies from nursery have seen lots of animals when they have been out walking. Have a look on your Learning Journal to see the pictures and videos of the animals they spotted.

Almond Valley Heritage Centre have very kindly put together a personalised video for the nursery children of some of the baby animals they have on the farm just now. Log on to your Learning Journal to watch the video. A huge thankyou to Almond Valley for taking the time to do this for us.

If you would like to support Almond Valley in caring for the animals during this difficult time, donations can be made via their Just Giving page: <a href="https://donate.justgiving.com/donation-amount?">https://donate.justgiving.com/donation-amount?</a> <a href="https://donate.justgiving.com/donation-amount?">uri=aHR0cHM6Ly9kb25hdGUtYXBpLmp1c3RnaXZpbmcuY29tL2FwaS9kb25hdGIvbnMvNTY3MmM4OTMxNDlkNDJkZTlmNjFhZWE1ZGRkYTJhNjM=</a>

Log onto your Learning Journal to hear Mrs Cairns read Come on, Daisy! by Jane Simmons

Log on to your Learning Journal to sing 'Five Little Ducks' with Mrs Alexander

Maybe you could draw a picture of your favourite animal that you have seen when you have been out walking with your family

Share your artwork or photographs on your Learning Journal if you can. We would love to see your pictures
