

Primary 1 Homework Grid for week beginning 2nd November 2020

<u>Maths/Numeracy</u>	<u>Literacy</u>	<u>Interdisciplinary</u>
<ul style="list-style-type: none"> With a grown up, make a number line from 1-10, 1-20 or 1-30. Write the numbers in order in a line. Ask a grown up to cover up one of the numbers whilst you close your eyes. When you open your eyes, can you identify the missing number? Play this game at home to practice numbers to 20: https://pbskids.org/curiousgeorge/busyday/apples/ 	<ul style="list-style-type: none"> Keep practicing the sounds in your sound tub. We will send new sounds home most Fridays. They will be sent home in an envelope so look out for them and add them to your sound tub! Please keep your sound tubs at home, they do not come back into school. Make some words with the sounds in your tub. Blend the sounds together to read the words. Keep practicing the sight words in your tub. We will send home some information/ images to help you write the first set of letters correctly. Look out for these in your child's bag. You can use them to help your child remember the correct way to form the letters. You can practice writing the letters in sand, shaving foam, paint, chalk etc. Ask a grown up at home about their favourite children's book. Why do they like it? Who is their favourite character and why? Tell them about your favourite book too. You could phone your grandparents or other family members and ask them what their favourite book was when they were a child. Why was it their favourite? 	<ul style="list-style-type: none"> We have enjoyed using Autumn leaves in our learning over the past few weeks. Try making some nature art using leaves, sticks, stones etc. You might want to make a big firework picture using natural materials out in your garden. We have been talking about what we are good at and what we would like to get better at in school. Talk to a grown up about what you are good at and what you would like to get better at at home. For example, you might be good at playing with your brother and want to get better at tidying your room!
	<p><u>What's On This Week</u></p> <ul style="list-style-type: none"> P.E. Days (Outdoors) : Tuesdays and Wednesdays Parent Teacher Meetings! 	<p>Homework will be issued on a Monday and will be due for completion by the Thursday.</p> <p>Your tasks should take no more than 20 minutes per night.</p> <p>Your work should be uploaded to Learning Journals or emailed to the school office wlbellsquarry-ps@westlothian.org.uk if Learning Journals aren't available. Feel free to upload photographs of your child completing the tasks or just a comment to say how they got on.</p> <p>If you have any problems with your homework, please speak to one of your teachers before Thursday.</p>
