

Primary 3 Homework Grid for week beginning 9.11.2020

<u>Maths/Numeracy</u>	<u>Literacy</u>	<u>Interdisciplinary</u>
<p>We have looked at odd and even numbers last week. Ask a friend or family member to give you any ten numbers. Sort these numbers into two groups - odds and evens.</p> <p>Mild - Numbers between 1 and 30 Hot - Numbers between 1 and 100 Spicy - Numbers over 100</p>	<p>Spelling lists have been sent home today (Monday 9th November 2020) to practise at home.</p> <p>Last week for our spelling challenge we numbered our spelling words then rolled one/two dice and added the numbers together. Whatever number this made, we wrote the coordinating spelling word for. Try this at home this week.</p>	<p>Bird seed has been sent home with your child today. Instructions from P3 have been posted on the school Twitter (@bellsquarryps) if you would like to make your own.</p> <p>Alternatively, sprinkle the bird seed in your garden or out on a walk, and see how many birds you get visiting you!</p>
<p align="center"><u>Reading</u></p> <p>Choose a book to read with an adult - try to choose one you haven't read before or you haven't read in a long time.</p> <p>Last week we tested our prediction skills. Predict what might happen in this book based on the front cover of the book. After reading a few pages, talk with your adult about what you think might happen next. How do you think the book will end?</p>	<p align="center"><u>What's On This Week</u></p> <ul style="list-style-type: none"> • P.E. Days : Monday and Thursday • Outdoor Learning with Mrs Quinn: Wednesday 	<p>Homework will be issued on a Monday and will be due for completion by the Thursday.</p> <p>Your tasks should take approximately 20 minutes per night.</p> <p>Your work should be uploaded to Teams/Learning Journals or emailed to the school office wlbellsquarry-ps@westlothian.org.uk if these options aren't available.</p> <p>If you have any problems with your homework, please speak to your teacher before Thursday.</p>
