

BATHGATE EARLY YEARS CENTRE

Slip-Slop-Slap

"slip on a shirt, slop on sunscreen, and slap on a hat"

Please remember to apply sunscreen to your child's skin for outdoor play at nursery before the start of each session. (Staff cannot do this for each individual child).

(If you forget to apply sunscreen before you leave home there is some available at nursery for you to apply before your child begins nursery that particular day.)

Please remember to write your child's name clearly inside their sun hat.

Thank you.

Mvairi S. Lynch

Headteacher
