

Children's Voice.

Harvest Talking Tub—
"tractors pick up things..
picks up wheat...tractor digs
up mud...we see (wheat) it in
fields...tractors cut
grass...tractor drives and
makes lines, I seen that on
Cbeebies...the grass comes up
and goes into it...tractors cut
up the wheat and straw.. Can
we eat barley?"

Children's Voice.

Farmer visit—
"what do animals eat? What
keeps sheep warm? What
colour is your tractor? Who
cuts the sheep's wool? Who
eats the hay bails?
Do you have dinosaurs at
your farm? hay from the
field...a wheat picker...horses
eat hay...the food is gone at
Daddy's farm..."

Experiences and Outcomes.

Adults' Voice.

Harvest Talking Tub—"this is a pestle and this
is a mortar, you use the pestle to grind the
wheat, press down hard on it and try to crush
it, we want it to turn into powder, the powder
is flour... a long time ago this is how people
made flour...now there are big machines to
grind the wheat and it is much faster... you can
eat barley in soup"

Adults' Voice.

Farmer visit—"there are 180 cows on my farm....
I feed them daily....I clean where they stay and look
after the farm... Hay bails are used in the winter
when it's too cold for grass to grow...the cows use it
for beds and to eat... My farm is in Stirling.... It is
90 acres big, bigger than your nursery gar-
den....there are cows, sheep, swans,, rabbits and
dogs, they round up the sheep and the cats catch
the mice.... the animals eat cereal grain from wheat
too but they mostly eat grass.. the sun keeps ani-
mals warm and their warm coats....my tractor is
green... no dinosaurs on my farm, only animals"

Fruit/veg investigation table -
"Use your senses to smell, touch, look, and taste the fruit and vegetables, use your eyes, your hands and fingers, your eyes and your mouth"

Children's Voice.

Fruit/veg investigation table—
"Oh this feels different (cauliflower), potatoes grow in the ground and carrots, they are so muddy, yuck."

Children's Voice.

Harvest Talking Tub
"I've got a spade to dig the mud up...flour makes birthday cake...grains of wheat...corn on the cob.."

Adults' Voice.

Harvest Talking Tub—
"Soil is what we need in the beginning to plant the seeds to grow everything, like corn, wheat, barley, potatoes, break down the grains of wheat, crush them and squash them, grind them"

 Harvest sensory table/pod/ paint-
 "Cones, falling off the trees... scratchy sticks....Painting with sticks is rubbish ...this smells funny... this smells spicy... the old sunflower smells disgusting"

Experiences and Outcomes.

Adults' Voice.
 Harvest sensory table/pod/paint-
 "Can you help find something you would like to paint with? What kind of effect does the sticks make? Can you paint with a stick? Dip the stick into the paint...Roll the pine cones in the paint... Herbs grow in the garden too. They are plants we can eat....Does the Rosemary have a smell? What does the sage smell like?"

Adults' Voice.

Baking with orchard produce-
Fresh bread
"What do you get from wheat?"
What about Weetabix? What do
you think Weetabix is made from?"

Children's Voice.

Baking with orchard produce-
Fresh bread.
"You need flour, butter, salt... and we put
hot water and cold... we pushed it together
with our hands.. It was sticky.. We put it in
the oven.. We cut it up ad tasted it.. It was
fabulous...You need flour and water and
yeast to make dough..."Bread.. Flour...
Super duper yummy... Its soft...Crunchy...
You can make sandwiches... Me like...Fresh
bread... It's hot

Children's Voice.

Baking with orchard produce-
Potato wedges.
"Potatoes... Grows under-
ground.... Cut them in half... is
a little rough.. I'm going to cut
my finger off... this is so
stiff.. It rolled away...it rolled
on the floor...My hands are
greasy.. Carrots grow under
the ground.... Underground in
the orchard... so does straw-
berries... No they don't , they
grow on top... Crunchy.... Yum-
my... they taste like chips."

Adults' Voice.

Baking with orchard produce-Potato wedges
"What is seasoning? This is salt and pepper...
these are herbs... herbs grow in the garden
like the potatoes... they grow above the
ground. We can also make soup with pota-
toes."

Children's Voice.

Baking with orchard produce-
Pasta sauce
"We could make tomato
soup...Put lemon in the toma-
to...We could have a big planet
picnic with all our tomatoes and
everyone can eat them."
