How many buses?

Currently monitoring the number of numbers.

Is there an option for breakfast club bus?

No you would have to bring them or they would get the bus, tried to consider School day length.

Will there be direct stop shown?

Yes

Do you have to use the bus everyday?

No

Will there be staff on the bus?

Yes a PSW will be on the bus.

Is there any option for earlier drop off?

We will need to consider this – TBC.

Could there be an East Calder pick up?

We will consider this – TBC.

Can older children go to breakfast club at East Calder with siblings?

For the moment this is not the arrangement we have in place.

How will it be ensured children are on the bus and no one missed?

We use current systems that West Lothian schools for bus services, registers and adults to monitor. We will put together an information sheet so that parents can see how the bus service works.

School policy is P5 onwards can walk home do adults need to be at bus stop to pick up youngest children?

The parent and carer has the responsibility if a child walks home or someone picks them up from the bus stop. If there is changes to arrangements please let the school know.

How do we sign up for breakfast club?

No sign up it can be used as and when you need.

When will we know about the school time for Calderwood for October?

We will look at organising for the summer.
