Comments from parents/ carers:

- Grid learning - numeracy, Literacy, HWB, learning across - 12 tasks across the term - shared on Teams or SeeSaw
- Love this idea it would take the pressure off busy life. Grid over two weeks hard to achieve all tasks.
- Reading is important - group reader, class reader, independent reader.
- Standard homework - not flagged up until parents night as parents don't always see the learning - profiling will be developed through see saw and teams to track learning across the year
