

Going to the toilet

In the mornings

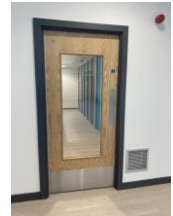

I go to school.

My school has toilets.

There is a sign on the door

For boys

and for girls.

The other boys

and girls

go to the toilet

Before snack and lunch.

I will try to use the toilet

when my teacher

tells me

If I need the toilet I can ask my teacher

I will try to sit on the toilet

I will flush it when I am done.

I will wash my hands with soap and water at the sink

I will go back to my classroom

My teacher

will be pleased

with me.
