

Tay Clan - Term 2

Home Learning Choice Board

My interdisciplinary context for learning is 'Calderwood Challenges Climate Change'

Use the choices below to decide what home learning tasks you would like your child to take part in. It is up to families as to how many activities they complete.

My weekly reading homework is to read for enjoyment three times for 20 minutes.

Across Learning

<p>Task 1</p> <p>Complete the fractions and time challenges on Sumdog.</p>	<p>Task 4</p> <p>Read a book at home and record this in your First Minister's Reading Challenge booklet.</p>	<p>Task 7</p> <p>Make and deliver a presentation to your family about the brain and its magical learning powers.</p>	<p>Task 10</p> <p>Practise your reading, writing, listening and talking of personal information in French. Complete the challenges set on Language Nut.</p>
<p>Task 2</p> <p>Together draw a family meal or imaginary picnic. For example, draw pizzas, drinks, cakes or biscuits or something else. Then cut or make lines on the drawings to show how you would divide this amongst different members of a family.</p>	<p>Task 5</p> <p>Design a new toy and create a persuasive advert to encourage others to buy it. Your advert could be a video, a poster, a leaflet or something else creative.</p>	<p>Task 8</p> <p>Learn a new skill outside of school and create a video to share on seesaw. Your video should teach others how to do this skill.</p>	<p>Task 11</p> <p>Make your own dictionary based on words that you have learned about climate change. Some ideas are:</p> <ul style="list-style-type: none"> • waste • fuel • deforestation
<p>Task 3</p> <p>Can you link fractions and time? Show the different fractions on an analogue clock. Can you draw and write the fractions?</p>	<p>Task 6</p> <p>Find a piece of news that interests you. Write a set of questions for a quiz. Share this with someone at home.</p>	<p>Task 9</p> <p>Keep a journal of all the positive achievements that you have been able to do. Look back at this to remind yourself that you can do it!</p>	<p>Task 12</p> <p>Think about how energy is being used in your home and/or local area. Record what you find out through photos, videos, blog, writing or something else.</p>

Ask me
