

Home Learning Choice Board

My interdisciplinary context for learning is 'Creating Calderwood'.

Use the choices below to decide what home learning tasks you would like your child to take part in. It is up to families as to how many activities they complete.

My reading homework is to read for 20 minutes and record my finished books in my reading diary.

Numeracy

Literacy

Health & Wellbeing

Across Learning

<p>Task 1</p> <p>Draw a 'birds-eye' picture of your bedroom (from the ceiling) and measure out the length of each wall. -Show where your furniture sits too!</p>	<p>Task 4</p> <p>Write a set of 3 interview questions for one of the Housing Developers in Calderwood.</p> <p>Try to find out more about your house and street i.e. brochures, street plans, when they were built etc</p>	<p>Task 7</p> <p>EmotionWorks Watch the Youtube clip: https://www.youtube.com/watch?v=Okrqwbt-TII -List all of the emotions that Riley is feeling. Try to use interesting vocabulary -Beside them, write down the different behaviours she shows that tells us how she is feeling.</p>	<p>Task 10</p> <p>French – Log into your LanguageNut Account and select: Vocab Trainer About Me Complete the first 4 units of work which are: Me, Greetings, Numbers 1-10 and How Old Are You?</p>
<p>Task 2</p> <p>Create directional instructions that will lead someone from your house to the school.</p> <p>Remember to use directional language like: Left, right, forwards, cross the road, stop at the end of...</p>	<p>Task 5</p> <p>Journal entry – as your family character, write a diary entry from their point of view. Explain what a day in their life is like and include: Thoughts, feelings, descriptive words.</p>	<p>Task 8</p> <p>Use the link below as a starting point to research energy: https://www.dkfindout.com/uk/search/energy/ Choose an area of energy which interests you and present your research in any way you want - photos, video, blog, writing, drawings, Sway, PowerPoint, game, anything else you can think of. Your research can be as broad as 'what is electrical energy?' or as focused as 'how does the lettuce sea slug produce energy?' - if you have any questions feel free to talk to Miss Christie.</p>	<p>Task 11</p> <p>Art – Use the website to Create an interesting piece of artwork of your choice. OR Research a famous artist and share your learning in any way you like. www.tate.org.uk/kids</p>
<p>Task 3</p> <p>Complete the SumDog Times Table challenge that has been assigned for you on your account.</p>	<p>Task 6</p> <p>Write or record yourself telling a story about your family characters. Your story should have a beginning, a middle and an ending.</p>	<p>Task 9</p> <p>Create your own fitness video! Showcase your football, fencing or gymnastics skills in a video. Or, create your own workout video with a few exercises for other people to have a go at!</p>	<p>Task 12</p> <p>Create a 3D model of a house of your choice. You could use boxes, card, Lego, clay or anything else you can find! Bring it in or take a photo of your creation.</p>

Ask me

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your teacher tonight, what would they tell me about you?
5. How did you help somebody today?
6. Tell me one thing that you learned today.
7. Tell me about three different times you used your pencil today at school.
8. What was the most popular game at break/lunch time?

Sharing your homework:

- Take a photo of your learning/ make a video/ create a document.
- Login to your Teams account (Glow email address and password) and go to the 'Into Calderwood Primary' Team.
- Go to your class channel.
- In 'files', enter your own homework folder.
- Click 'upload' or 'create new' to add in your tasks.
