

Calderwood Nursery

This is my nursery I enter this way.

I will put my bag and jacket in the cloakroom when I come to nursery.

My nursery room might look a little bit different just now...

There are 3 indoor play areas.

Bagpipes

Haggis

Nessy

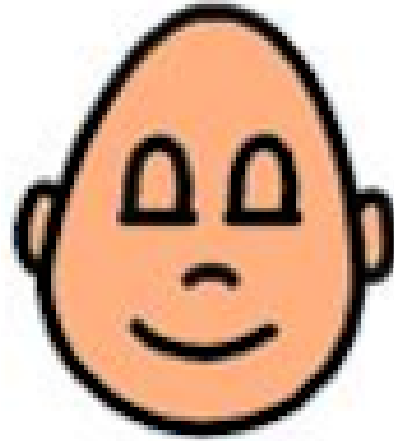

I will be part of a group and play in only one area each week.

I will change areas every week!

This will keep us safe!

Safe

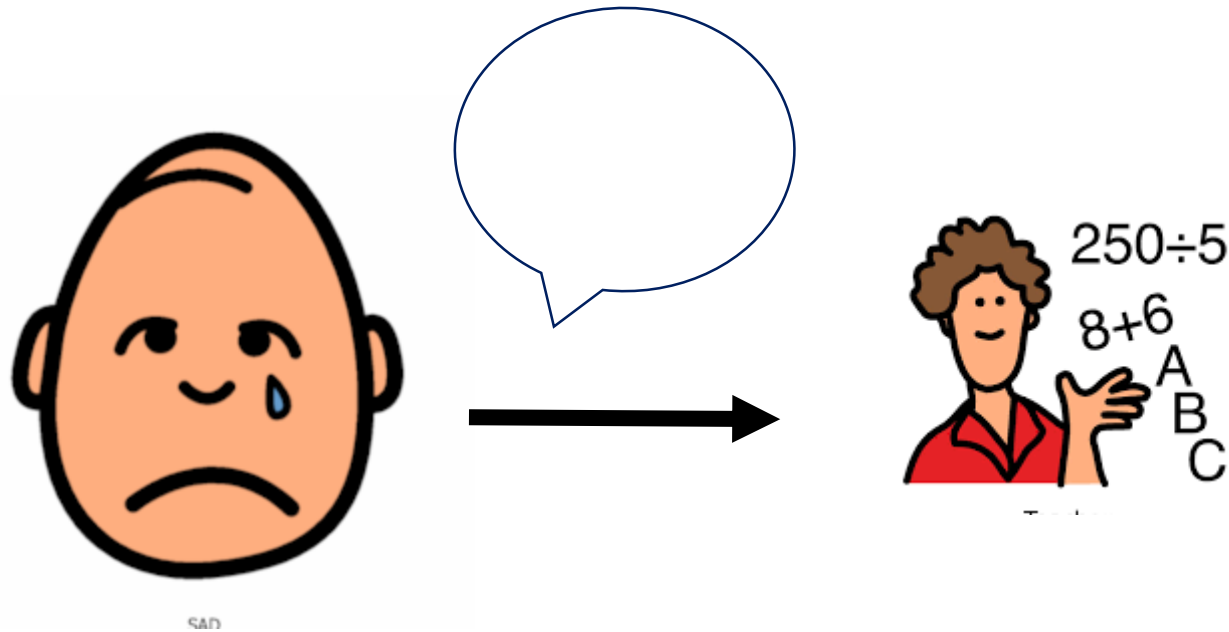

I will play with the same champions
and children in my group.

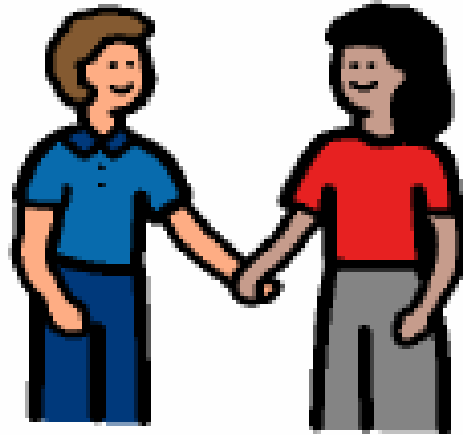

My friends might be in a different group and that is OK.

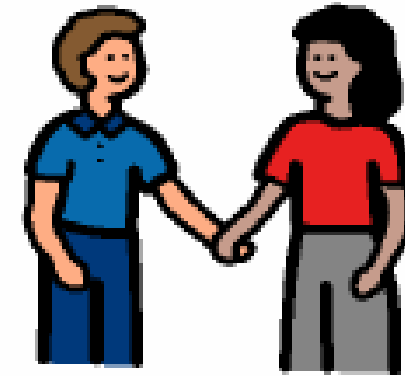

If I feel sad or worried I can tell a trusted champion.

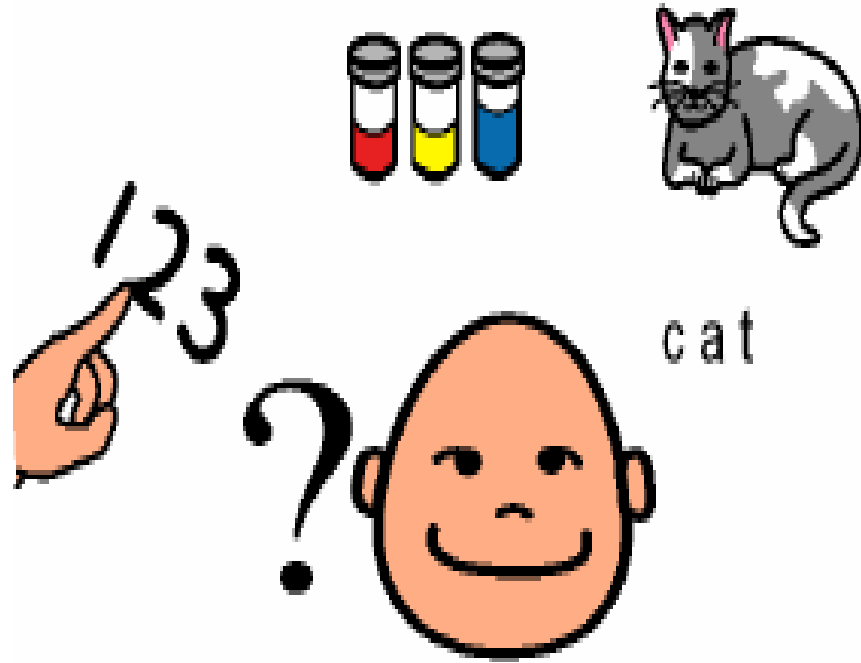

I might meet some new friends.

I can play with all of my friends outdoors.

I will learn lots of new things!

Nursery can be fun!
