

Home Learning Choice Board

My interdisciplinary context for learning is 'Astrobiology' and the Internet of Things!

Use the choices below to decide what home learning tasks you would like your child to take part in. It is up to families as to how many activities they complete.

Go to the library or search for online books about **data, space, CO₂ and evolution.**

Numeracy

Literacy

Health & Wellbeing

Across Learning

<p>Task 1 Maths Games</p> <p>We have a variety of Maths games linked to prior learning on our class team channel 'Maths Games'.</p> <p>Access these games and use your skills to answer the questions and play the games.</p>	<p>Task 4 Vocabulary</p> <p>To develop your vocabulary in your writing, research interesting words that you can use instead of 'said' 'got' 'then'</p>	<p>Task 7 Highland Games</p> <p>If you were to plan a 'Highland Games event for our school, what events would you like to run or take part in? Make a list of activities, include the rules and state what resources would be required.</p>	<p>Task 10 Astrobiology</p> <p>Click here to explore the topic of Astrobiology.</p> <p>Make notes on why you think the following is important to living things:</p> <ul style="list-style-type: none"> ✓ Water ✓ Oxygen ✓ Temperature
<p>Task 2 TIMES TABLE PRACTICE</p> <p>The hardest times tables to remember are the x4,x6,x7,x8 & x9. Use this link to multiplication.com and learn a table you don't know.</p> 	<p>Task 5 Similes</p> <p>Find an image of an object, place or use a character from a book you are reading. Write a selection of similes to describe their features, character or actions.</p>	<p>Task 8 Hockey Rules</p> <p>Research the rules of hockey. Create a short video that explains the main rules of hockey. Think about... How do you score points? How do you win the game? How long should it last? You could explore different types of hockey too.</p>	<p>Task 11 Art</p> <p>Research famous water colour artists. Pick one of your favourite paintings and share what you like about it. Find out about the artist – when did they paint it?, what was the inspiration?, what style of water colour is it? Share in your own way.</p>
<p>Task 3 Sumdog</p> <p>We're very excited to announce that at 8am in 13th May the West Lothian Sumdog competition opens. This competition will end on 19th May and will include a maximum of 1,000 questions for each child.</p> <p>Click here to access Sumdog.</p> 	<p>Task 6 Quiz Time</p> <p>From one of the books you have read on data, space, CO₂ and evolution, write some quiz questions or create a Kahoot Quiz. Make sure you know the answers.</p>	<p>Task 9 Mindfulness</p> <p>Take some time for yourself. Find a quiet place to be still without screens or noise. You could colour in quietly, listen to a relaxation track, listen to your favourite music, go for a walk.</p> <p>Try and find 5 minutes each day to do something mindful.</p>	<p>Task 12 FRENCH</p> <p>Click here to Log onto Language Nut (use your user name and password. The new topic we will be starting is the weather – look out for other fun tasks too!</p> 

Ask me

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your teacher tonight, what would they tell me about you?
5. How did you help somebody today?
6. Tell me one thing that you learned today.
7. Tell me about three different times you used your pencil today at school.
8. What was the most popular game at break/lunch time?

Sharing your homework:

- Assignments have been created and work can be attached to these assignments for hand in OR
- Login to your Teams account (Glow email address and password) and go to the 'Ben Lawers & Ben Lomond' Team.
- Select 'Class Notebook' and record any homework on your online homework jotter.

PLEASE DO NOT POST YOUR HOMEWORK ANYWHERE ELSE.
