

Hello everyone!

It is quite unbelievable that we have come to the end of Calderwood Chapter 1! It doesn't seem that long along since our Primary 1s were in East Calder and our P2-6s getting the bus to Mid Calder!

The excitement of moving into our new home was a day none of us will forget, creating our own moment in history, as the first clans and champions of Calderwood.

It's been a rollercoaster of a year but one with so many memories, that will live in our hearts forever.

Thank you to our champions, to which all this would not have been possible! Their passion and compassion, creativity, resilience and commitment, to making Calderwood go beyond the dream.

To you, our families, thank you for your patience, enthusiasm and support, as we navigated this new journey together.

To our Calderwood and East Calder Community for their continued support to our nursery and primary.

Most of all, thank you to our children! What a privilege for us to spend every day with them, creating the foundations for their future, and having so much fun along the way.

My vision for this session, was to give our children, champions and families the best start to their new community, giving our children opportunities to go beyond their dreams. So many times, we have heard from our children 'This is the best day ever!', and from our champions, 'I am so happy I made the move', which reassures me that we are on the right journey together.

Thank you, for all you have contributed to Chapter 1, we look forward to Chapter 2 with great excitement!

Have a lovely summer, I hope that sun keeps shining! As we say, the sun always shines on Calderwood!

Miss Burton
